

Enrollment for a language course at Center of Languages and Communication

Welcome to Poznan University of Technology. We kindly request that you enroll for a language course.

If you start your **full-time studies** (1st cycle) in October 2023, majoring in one of the below mentioned fields of studies:

WiIT – **Electronics and Telecommunication**

WIZ – **Engineering Management**

WTCh – **Chemical Technology**

it means that you will also start an obligatory language course as of October 2023. The enrollment process takes place on **20.09-02.10.2023**.

To enroll for a language course:

1. activate your account in the recruitment system pursuant to the instructions given together with the decision of being admitted to the university
2. when you receive your new email address @student.put.poznan.pl, log into the system elogin.put.poznan.pl and choose *Dostępne systemy* -> USOSweb
3. in USOSWeb, see the bookmark FOR STUDENT, click REGISTRATIONS and choose the registration proper to your field of study
4. the enrollment process consists of two stages, i.e. selection of the languages together with completion of a placement test and choosing the group proper to the test result
5. the choice of languages given to you is the Dean's decision
6. information on your group (number, day and time of classes as well as the teacher's name) will be available in USOSweb, see the bookmark My USOSweb - *SCHEDULE*.

The completion of the test is obligatory – 20.09-02.10.2023
